

'To be an industry leader in innovative, environmentally sustainable and customer focused waste management and industrial services solutions'

Solo Group is a proud family owned Australian Company with a long and distinguished history of service to the community in the waste and industrial services industries.

Solo Group is committed to:

- Striving for excellence in all that it pursues.
- Fostering the continued development of safety, technology, efficiency and productivity throughout the Groups activities.
- The advancement of its staff through training programmes; recognising individual needs for development.
- Personal recognition of the value of staff, including for their effort and contribution to the community.
- Fulfilling the aims and objectives of the mission through constant re-evaluation.

Primary Objectives:

- To provide and facilitate technically advanced and economically efficient systems of service to clients, councils and the community.
- To encourage greater community awareness and participation in recycling and waste minimisation to conserve the earth's finite resources.
- To interact in a positive way with our clients, the community and Councils.
- To maintain integrity and the respect of the Company throughout the community.
- To maintain an unblemished industrial relations record.
